all music composed and recorded by chris russell, june 2010 to march 2011.
field recording on "solace" by dean richards.
barred owl sample on "together again" by noah phonaut.

thanks to megan for her love, support and encouragement, gavin for
being the coolest kid on the grid, my family and friends, jkn and
everyone at rM, stillstream.com, and to artists james johnson, lucette
bourdin and brian eno for inspiration during the recording of this album.

"together again" dedicated to fran and buster; without them home would
not be possible.
