broken harbour _ THE GEOMETRY OF SHADOWS

'the geometry of shadows' is the third reflection from broken harbour
recorded december 2011 – august 2012 at studio 304, edmonton, canada
thanks: erin, joss, hørleif and robert.

the release of this album would have been impossible had it not been for the
incredible kindness and generosity of geoff small, john koch-northrup, steve brand
and peter james. they all release albums on relaxed machinery, please support them.

this musical document is best enjoyed in a single listening session.
